

## **Stephanie Terrell, NP**

### PROFILE

Stephanie Joined OGA in 2017. She was born in Boise, Idaho but spent much of her childhood in Missouri. Her family later returned to the area and she graduated from Nampa High School. After graduation, Stephanie went on to Idaho State University where she earned a Bachelor of Science in Nursing in 1997. She returned to the Boise area where she worked as a Labor and Delivery nurse. Stephanie later went on to obtain her Nurse Practitioner license from Gonzaga and has been working in women's health ever since. Stephanie's professional areas of interest center on education and prevention. She likes to focus women on the benefits of proper nutrition, supplements, and stress management. Married with two children, Stephanie enjoys a wide range of outdoor activities, running and reading.
